## NATIONAL ANTHEM

Jana Gana Mana Adhinaayak Jaya Hey,  
Bhaarat Bhaagya Vidhaataa  
Panjaab Sindhu Gujarat Maraatha,  
Draavid Utkal Banga  
Vindhya Himaachal Yamuna Ganga,  
Uchchhal Jaladhi Taranga  
Tav Shubh Naamey Jaagey,  
Tav Shubh Aashish Maange  
Gaahey Tav Jayagaathaa  
Jana Gana Mangal Daayak,  
Jaya Hey Bhaarat Bhaagya Vidhaataa  
Jaya Hey, Jaya Hey, Jaya Hey,  
Jaya Jaya Jaya, Jaya Hey.

--- Rabindranath Tagore

## PLEDGE

India is my country. All Indians are my brothers and sisters.  
I love my country, and I am proud of its rich and varied  
heritage.  
I shall always strive to be worthy of it.  
I shall give my parents, teachers and all elders respect and  
treat everyone with courtesy.  
To my country and my people, I pledge my devotion.  
In their well-being and prosperity alone lies my happiness.

## **SWAEROES TEN COMMANDMENTS**

1. I am not inferior to anyone
2. I shall be the leader wherever I am
3. I shall do what I love and be different
4. I shall always think big and aim high
5. I shall be honest, hardworking and punctual
6. I shall never blame others for my failures
7. I shall neither beg nor cheat
8. I shall repay what I borrow
9. I shall never fear the unknown
10. I shall never give up

## **FIVE BIG RESOLUTIONS**

1. Let's each one teach ten
2. Let's save water, food and electricity
3. Let's make our campus litter free
4. Let's read to lead
5. Let's start our classroom with a story

## OUR MISSION - OUR VISION

The TTWREI Society, with a view to envisaging its students' success stands high in all spheres of development implementing various innovative programmes in all its institutions. It is dedicated in chalking out various programmes for the inmates who belong to the scheduled tribes with a poor economic background. The vision of the Society is to quench the intellectual thirst that exists in the aspirants.

The mission is to sow the seeds of curiosity among the students to become creative, competitive and communicative and enhance their personality through the promotion of various activities. It is strongly believed that a sustained and progressive exposure to language (E + Plus Clubs) and a focus on Mathematics & Science (Operation Einstein) will certainly be a 'cause célèbre'. These activities are a boon for the students which will give them an edge over other students.

Along with densely packed text book information, the students are exposed to myriad activities which invigorate their body and mind and prepare them to become torch-bearers of the society. In its entirety, the Society aims at making its students the insignia of the "best society" it can create for a better world.

## Message

*The TTWREI Society in the recent times has exemplified many educational institutions even in the private sector. I very sincerely attribute this success to the meticulous planning and implementation of a multitude of activities and a wide range of initiatives in all our institutions in the Telangana State.*

*Education, a harmonious blend of scholastic and co-scholastic activities if imparted in a systematic manner will elevate, enrich and empower the young aspirants. The conventional approach to teaching has been replaced, of late, by innovative practices and interactive methods to enable children reach their full potential. The absence of proper planning would jeopardize the future of thousands of young children from the marginalized community.*

*The Calendar of Events 2017-18 has thus been designed to include holidays, celebrations, scholastic, co-scholastic and administrative activities, tests and examinations schedule and all other directions necessary for administration of transactions in the educational institution with sufficient clarity and uniformity.*

*I hope that all the TTWR Schools abide by the Calendar of Events 2017-18 and ring the bell for the successful year ahead.*

*Best Wishes,*

Hyderabad

Dated:

Dr. R.S. PRAVEEN KUMAR, IPS  
SECRETARY

## Preface

The TTWREI Society has been catering to the educational needs of marginalized children since its inception. The achievements of the Society so far would not have been possible without meticulous planning and scrupulous implementation. The conventional approach to teaching has been replaced of late by innovative practices and interactive methods to enable the students to reach their fullest potential. The Calendar of Events 2017-18 has been designed to include holidays, celebrations, scholastic, co-scholastic and administrative activities, tests and examinations schedule and all other directions necessary for administration of an educational institution with sufficient clarity and uniformity.

The book will serve as a Handbook for the Principals and staff prepared with a view to achieving physical and psychological development apart from academic excellence in our tribal institutions. The book will help them prepare the students as the future citizens to meet the challenges in their life to prove that our students excel in all activities if opportunities are provided.

It is hoped that the Calendar of Events 2017 - 18 would kindle the interests and aspirations of the students and guide them towards realizing their dreams.

D. SUDHAKAR  
Dy. Secretary (Acad)  
GURUKULAM

32	Register of monthly & annual accounts
33	Register of tappal (inward and outward)

## Right to Education Act, 2009

---

### What is the Act about?

1. Every child between the ages of 6 to 14 years has the right to free and compulsory education. This is stated as per the 86th Constitution Amendment Act via Article 21A. The Right to Education Act seeks to give effect to this amendment
2. The government schools shall provide free education to all the children and the schools will be managed by School Management Committees (SMC). Private schools shall admit at least 25% of the children in their schools without any fee.
3. The National Commission for Elementary Education shall be constituted to monitor all aspects of elementary education including quality.

### Main Features of Right to Education (RTE) Act, 2009

---

- Free and compulsory education to all children of India in the 6 to 14 age group.
- No child shall be held back, expelled or required to pass a board examination until the completion of elementary education.
- If a child above 6 years of age has not been admitted in any school or could not complete his or her elementary education, then he or she shall be admitted in a class appropriate to his or her age. However, if a case may be where a child is directly admitted in the class appropriate to his or her age, then, in order to be at par with others, he or she shall have a right to receive special training within such time limits as may be prescribed. Provided further that a child so admitted to elementary education shall be entitled to free education till the completion of elementary education even after 14 years.
- Proof of age for admission: For the purpose of admission to elementary education, the age of a child shall be determined on the basis of the birth certificate issued in accordance with the Provisions of Birth, Deaths and Marriages Registration Act 1856, or on the basis of such other document as may be prescribed.
- No child shall be denied admission in a school for lack of age proof.
- A child who completes elementary education shall be awarded a certificate.
- Call need to be taken for a fixed student-teacher ratio.
- Twenty-five percent reservations for economically disadvantaged communities in admission to Class I in all private schools is to be done.
- Improvement in the quality of education is important.
- School teachers will need adequate professional degree within five years or else will lose job.
- School infrastructure (where there is a problem) need to be improved in every 3 years, else recognition will be cancelled.
- Financial burden will be shared between the state and the central government.

## TELANGANA TRIBAL WELFARE RESIDENTIAL EDUCATIONAL INSTITUTIONS SOCIETY New Quality Policy (NQP) 2016

The **New Quality Policy 2016 (NQP)** for Tribal Welfare Residential Educational Institutions of Telangana state is based on three main guiding principles.

1. What gets measured gets done.
2. Focus on improving teacher quality
3. A robust monitoring mechanism to ensure improvement in all aspects of school education.

We have been making rapid strides in liberating the underserved populations from poverty. Our teachers are playing pivotal roles in this transformation. Many teachers have gone beyond their boundaries to make the lives of students better. Every new academic year rolls on with a package of innovations which lead to irreversible outcomes assuring progress.

Complaints from parents and community organizations are becoming common. Weak proficiency of the teaching staff is causing widespread dissent among the stakeholders. This is a major disappointment to the society schools which has adopted English as the medium of instruction since 2007.

Therefore, a **Quality Policy Framework and Manual** has been designed by the Society to hand hold the schools in improving teaching and learning. *This is part of the P-5 Model that was unveiled in 2012.* The framework comes with a manual detailing the measures and monitoring system.

### Components of NQP

1. Seminars - District & State Level
2. Mentoring
3. Internship
4. Inter Society Teacher Conclaves (District Level)
5. T- Plus Clubs
6. Peer Evaluation
7. Institutional Accreditation
8. Life Skills Studios
9. Listening Skill Enhancement
10. Internal Standards Board

### Objectives:

1. To enable teachers to realize their full potential on their own by learning from each other.
2. To provide support to the struggling teachers through training programmes and continuous guidance.
3. To arrange internship programmes for the teachers in reputed national and international Educational institutions.
4. To introduce advanced pedagogical practices in the classrooms.
5. To improve communication skills through discussion, participation, peer learning, and listening.
6. To help teachers achieve proficiency in their subjects by giving them opportunities to learn and excel.
7. To introduce life skills (basic table manners, telephone etiquette, body language, personal grooming) into the school routine.

### Seminars - District & State Level

- Seminar may be defined as formal presentation in which the speaker/s discuss a particular topic.
- Such presentations are usually interactive in nature where the participants engage in discussions about the stated topic.
- Teachers and seminar topics are chosen on a random basis for making presentations at District and State Level. Topics will be announced to the shortlisted teachers at least 15 days in advance.

- These topics will be chosen from the syllabus that they regularly teach in their classrooms.
- Teachers who are given topics shall gather as much relevant information on the topic as possible, prepare teaching aids, rehearse, and finally present in the seminar for 30 minutes.
- The teachers are encouraged to take the help of intellectuals, colleagues and students, and are advised to gather latest information from newspapers, internet, reference books, etc., for making an impactful presentation.
- The teachers are advised to make rehearsals on the proposed topic in their respective classes incorporating best pedagogical practices. The teachers should elicit feedback from the students and colleagues.
- The Principals must extend all support to the teachers who are selected for such seminars and give a constructive feedback.
- The teachers have to make presentation before an audience consisting of a few students, teachers and certified subject experts.
- The certified subject experts will give feedback to the teachers in three core areas: proficiency in the subject, pedagogy and communication skills.
- The seminar will be conducted every month for two days and 30 minutes time is allocated for each teacher for presentation and 5 minutes for discussion/question session.
- All the District Coordinators should conduct the seminar at a designated venue (school) in the district, and coordinate with the Head Office and make necessary arrangements including hospitality and transport for the expert panel members.
- All arrangements like mike, LCD Projector, laptop, etc shall be arranged for the smooth conduct of the seminars.
- The teachers who score 80 % and above at the district level seminar will be selected to present a model seminar at the state level.
- The state level seminar will be conducted every 3 months.
- The entire process of district and state level seminars will be monitored/supervised by the Academic Wing of the Head Office.
- The seminars will not be video-graphed. If any staff member wants her/his lecture to be recorded, it should be intimated to HO in advance.
- Training will also be given to those teachers who need it prior to the presentation of seminar. Such teachers who need training for seminars must approach their principals or contact the academic wing of HO.
- Seminars under NQP are mandatory for every staff member. However, certain categories are exempted. The following categories of teachers are exempted from the NQP seminars. They are:
  1. Those who are suffering from chronic and serious illness.
  2. Those who are Pregnant.
  3. Those whose superannuation is due in three years.

However, any staff member volunteers to give presentation despite above exemptions, she/he would be given weightage.

**Assessment Criteria for District and State Level Seminars:**

The teachers' performance will be evaluated for 100 marks in the following core areas: Proficiency in the Subject (40 marks), Pedagogy (30 marks) and Communication Skills ((30 marks)

**Grading**

Grading is as follows:

Outstanding	-	80% and above
Excellent	-	60 - 79%
Satisfactory	-	50-59%
Needs improvement	-	Below 50%

Minimum proficiency required in every area is 50%.

The teachers who fall below 50% in assessment will not be recalled for presentation in front of their colleagues again, but they will have to attend the training that helps her/him to succeed.

Teachers who present seminars voluntarily and those whose performance is outstanding will be issued a commendation letter, recommended for best teacher awards, and would be given some weightage points in transfers.

Furthermore, the Society will provide opportunity for such outstanding teachers to attend the national and the international conferences in India and abroad.

The Society will give preference for the outstanding and committed teachers in administrative postings, transfers, and other service related benefits.

**2. Mentor Teachers:**

Those who score 80% and above will qualify as mentor teachers and master trainers. Mentor teachers will be given allowance for their mentoring activities. Teachers falling under this category are exempted from seminars for two years provided that they maintain a minimum of 80% results in the public exams in their respective subjects.

The DCOs are instructed to identify the talented and experienced teachers (both Regular and CRTs) from each school as mentor teachers.

The mentor teachers shall guide 5 mentees for a week. It is also mandatory that all the part time teachers should be part of this mentorship programme.

The mentors have to closely observe the classes of the mentee teachers and should give constructive feedback from time to time on various aspects of teaching methods and tools. Mentors should conduct an assessment to evaluate the competency levels of the mentees after the training.

The mentor training period is treated as on duty for both the Mentors and Mentees and special allowance will be granted to the mentors for hospitality and other miscellaneous requirements. If the mentor teachers are not available in a particular school, then the mentees must be attached to the next nearest school.

### **3. Internship**

Both outstanding as well as below average teachers will be sent to reputed national/international public schools such as Aga Khan Academy, DAV, DPS, Oakridge, Glendale, Gitanjali, Chinmaya, Sloka (This list is suggestive, but not exhaustive) to observe the best teaching and learning practices periodically.

The internship period will be considered as on duty.

The interns should prepare a visit report and submit it to the Head Office.

The interns must employ new strategies/pedagogy which they observe and learn during the internship programmes. The Principal must monitor this process scrupulously

### **4. Inter Society Teacher Conclaves (District level)**

The aim of Inter Society Teacher Conclaves is to bring all teachers of various Societies and institutions to a common platform for sharing and exploring innovative pedagogical practices.

The teachers from various institutions in a given district have to assemble at a designated venue and present the seminar on a chosen a topic.

Teachers are encouraged to explore new trends in teaching and learning methods through group discussion and debates.

All the District Coordinators should organize the Inter Society Teacher Conclaves at a convenient location in consultation with the Head Office officials.

The DCOs should make arrangements including hospitality and transport for any expert educationist who wants to visit such conclaves. There is no assessment in Inter Society Teacher Conclaves.

### **5. Teacher Plus Clubs :-**

The aim is to improve the English communication skills among the teachers and staff through conducting T-Plus club activities at an institution level.

T-Plus clubs should be conducted on every Monday and Tuesday of the week from 4:00 pm to 4:30 pm in staff room/ Principal's room under the supervision of the Principal/Senior English teacher designated by the principal.

The topics for T-Plus clubs will be communicated to the schools by the Academic wing of the Head Office. Schools can design the topics for T-Plus clubs on their own as well.

The School Council and Class Leaders will supervise the T- Plus activities while the teachers get engaged with T-Plus Clubs activities on the designated days.

#### 6. Peer Observation :-

The aim of the peer observation is to provide positive feedback to peer teachers through observing their colleagues' teaching methods in a classroom environment at least once in a week. Feedback should be given to the colleagues to improve the gaps in teaching, if any. If there are any strengths they should also be shared. The Principal must facilitate and monitor this activity closely. The feedback should not be vengeful. Peer evaluation is not assessment and it is not graded. It is expected that teachers will observe all norms of privacy when they observe the classes.

#### 7. Institutional Accreditation:-

The aims of the Institutional Accreditation are:

- To assess the quality of education in our institutions against national/international bench marks.
- To measure students' academic progress.
- To evaluate capabilities of school leaders in improving academic standards.
- To track standards and performance of institutions against various academic indicators.

#### The process

The Society intends to have its own brand of certification similar to the ISO certification. To achieve this, first, self-evaluation will be done by the individual institutions (the principal and staff) using a well-designed self- evaluation form. All the staff will be trained in this through cascading model.

Secondly, **external evaluation** of institutions using various assessment tools such as quality framework, questionnaires and customized excel sheet by an expert panel constituted by the Head Office. The DCOs and the Principals must extend all support to the expert panel.

Four point rating scale (excellent - good - average - weak) is used to rate the institutions. The institutions which are rated as excellent (an insignia or a grade will be given) and an award will be presented at a state level function.

The institutions can display insignia or a grade in their school premises, and the photograph of the institution will be uploaded into the website of the Society. This process is not intended to punish any individual teacher.

#### 8. **Life Skills Studios:**

The aim of Life Skills Studios is to teach core skills of everyday life like basic table manners, telephone etiquettes, body languages, personal grooming, etc., to the students (from 7th class - Intermediate)

The Principal must identify a room within the institution and furnish it with cot, bed, pillow, pillow cover, bed sheets, table, chair, set of plates, cutlery etc.

The class teacher /house master must be entrusted with the task of teaching life skills to the students as per the time table. One / two teachers from each institution (ToTs) will be given training on the Life Skills

Studios. The ToTs in turn train the class teachers/ House masters to mentor the students. The Principals must monitor this activity closely from time to time.

#### **9. Listening Skill Enhancement Activity:**

The aim of the Listening Skill Enhancement Activity is to improve the listening skills of the teachers and as well as the students. The teachers and the students (VIII to Intermediate) must watch English news (For example: NDTV, BBC, CNN-IBN) at 9pm every day for half an hour to improve listening skills. This helps the students and the teachers to update their knowledge on current events.

The principal must ensure that a TV with cable/antenna connection is installed in the school. The teacher must discuss/elaborate the news with the students for 5 minutes at the end of the news session. The news could also be read out in the morning assembly.

#### **10. Internal Standards Board**

The aim of the ISB (Internal Standards Board) is to enhance the capacity of the teachers, and improve academic standards, and promote the best teaching learning practices on par with the national and international educational institutions.

The ISB is headed by the Deputy Secretary, (Academic), and the members of the ISB consists of Academic Coordinator and 2 certified external subject experts. The ISB will design and supervise training programmes for the teachers who secure below 50% in seminars and it will act as an appellate body for any review. ISB cannot initiate any disciplinary action.

All staff members are advised to note that New Quality Policy-2016 is primarily designed to help the staff members realize their potential and improve the performance on their own by learning from each other. It is neither intended to punish anyone nor initiate any change that is detrimental to the interests of all the stakeholders of the Society (TTWREIS).

The above measures in NQP are neither exhaustive nor conclusive. We welcome constructive suggestions from any staff member.

4. Saturday Clubs
5. E-Plus Club
6. Super Students
7. In House Journal
8. Summer Samurai Projects
9. Summer camps
  - 1) Voice 4 Girls
  - 2) Stars Film making
  - 3) Arts and Crafts
  - 4) Civil Services
  - 5) Hum Banenge Karodpathi
  - 6) Young Journalist
  - 7) SWAERO Tech
  - 8) Coaching for NDA and NA admissions
  - 9) National Talent and Search Examination (NTSE)
  - 10) Competitive Examinations
  - 11) Young Politicians Leadership
  - 12) Abacus Training
  - 13) Vedic Maths
  - 14) Swara  
(Indian & Western)
  - 15) Dance
  - 16) Basic English Speaking Course
  - 17) Advance English Speaking Course
  - 18) Young Leaders
  - 19) Ignitors Camp
  - 20) SWAERO Champs  
(Athletics, Horse Riding , Swimming, Shooting, Hockey Foot Ball, Basket Ball, Boxing, Water sports, Chess)
  - 21) Mini EAMCET Camp
  - 22) Science Technology Engineering and Mathematics (STEM)
10. Extra-Curricular activities
  - a) Chess

- b) Yoga / Martial Arts
- c) Games
- d) Sports
- e) NCC, Scouts

### CONTINUOUS AND COMPREHENSIVE EVALUATION

The very objective of adopting CCE is to let the child grow as a good citizen by acquiring all appropriate skills and desirable qualities besides academic excellence.

#### **Continuous:**

Assessment of a student's growth and development is a continuous process rather than an event.

#### **Comprehensive:**

It is a holistic approach which covers both scholastic and co-scholastic areas.

#### **Evaluation:**

The emphasis is shifted to testing of holistic learning.

#### **Need:**

Many Educationalists have opined that assessing any child basing on the marks achieved by him / her is not appropriate. Every child has innate abilities. CCE can be used as a tool to draw out the child's hidden talents. The teacher should be aware of the child's strengths and weaknesses and help him / her to build up his / her personality.

#### **Importance:**

- ❖ It shifts the child from the need of learning to love of learning
- ❖ To enable the child to be more resourceful, innovative, creative, adoptive and amicable / Practicable.
- ❖ Reducing the burden of studies / Home work.
- ❖ Provides non-threatening and supportive environment for learners. Grow as self-thinkers.

#### **Implications:**

Creative and critical thinking, decision environment for learners. Expressive skills, sharing of ideas, strong enough to face the challenges in life.

#### **What are to be assessed?**

- Academic standards / out comes
- Performance in different subject domains
- Skill, interests, attitudes
- Behaviour
- Reactions in and outside the school

#### **Evaluation:**

Two types of Evaluation

- 1) Formative Assessment

## 2) Summative Assessment

- 1) **FORMATIVE ASSESSMENT:** Is an (guage / measurement) assessment for behavioural learning and assessment of learning. It is done through observation of students' response, involvement in learning, note books, assignments, projects and other written works.

The tools for Formative Assessment: (4 Components involved in it)  
 Language : Reading and Reflections

Mathematics : Generating Problems

Science : Experiments

Social Studies : Reflection on contemporary and Social Issues

A. Written works : (Class work, homework, portfolios etc)

B. Projects

C. Slip Tests

- 2) **SUMMATIVE ASSESSMENT:** It takes place after a period of instruction. This is done through pen and paper test. Judging academic standards is the key-idea behind this.

**Written Test:** The nature of test should be open ended questions, descriptive, analytic and that would test child's ability of thinking critical analysis, giving judgements and leads to self-expression and any way from routine learning.

The questions should make the children think and write. They should reflect the academic standards.

**Note:** Teachers should encourage the children to produce their own and original thoughts. Memorized answers, guides, question banks are strictly prohibited.

### How to Grade the performance?

S.No.	I, III & Non Lang. Marks Range	Grade	2 <sup>nd</sup> Language Hindi / Telugu	
			Marks Range	Grade
1	91 - 100	A1	90 - 100	A1
2	81 - 90	A2	79 - 89	A2
3	71 - 80	B1	68 - 78	B1
4	61 - 70	B2	57 - 67	B2
5	51 - 60	C1	46 - 56	C1
6	41 - 50	C2	35 - 45	C2
7	35 - 40	D	20 - 34	D
8	0 - 34	E	0 - 19	E

**GURUKULAM  
TELANGANA TRIBAL WELFARE RESIDENTIAL EDUCATIONAL INSTITUTIONS SOCIETY**

Rc. No.2706/B2/Acad/2017-1

Dated: 02.06.2017

**CIRCULAR**

**Sub:-** TTWREIS - Acad - Flipped Class Initiative - Certain instructions to the RCs, DCs and Principals of all the TTWR Institutions under the TTWREI Society -Official communication regarding the Procedure & Guidelines to direct Teachers to experiment the Flipped Class Teaching Module - Regarding.

**Ref:-** 1.Instructions of the Secretary, TTWREIS, Hyderabad, in the Video Conference held on 11.05.2017  
2.Oral instructions of the Secretary, TTWREI Society, Hyderabad on 23.05.2017

\*\*\*\*\*

The attention of the Regional Coordinators, District Coordinators, Principals & Teachers of all the TTWR institutions under the TTWREI Society in the State is invited to the subject and references cited.

It is to inform that the Secretary, TTWREI Society, Hyderabad, has decided to earmark this academic year 2017-18 by storming various initiatives for strengthening the academic calibre of students. In this regard, there is a dire need to experiment and execute novel initiatives to improve the standards of learning as well as teaching as we are all well aware that teaching and learning as indispensable to one another.

The Secretary, TTWREI Society, Hyderabad, has decided to incorporate the Flipped Class Teaching Module in to the curriculum for the academic year 2017-18. In this regard, it has been decided to experiment this teaching module for Classes 8<sup>th</sup> to 10<sup>th</sup> students for a wide range of topics in various subjects. However, care need to be taken to ensure that topics that can be flipped only should be entitled to be included in this module.

The initiative of Flipped Class Teaching Module has been taken up to corner the loopholes that have been existing in the conventional method of teaching & learning irrespective of the advent of CCE pattern in the institutions. A flipped class involves high level of student-teacher interaction with a student-centric approach which aims and revolves around the emotional involvement of students. Hence, Flipped Class Teaching is open for all those passionate and committed teachers who would like to bring about a sea-change in the lives of many.

**GUIDELINES & PROCEDURE FOR CONDUCTING A FLIPPED CLASS**

1. The foremost principle of conducting a Flipped Class to flip the classwork to home/dorm and the homework/dorm-work to classroom.
2. Teacher enables the student to learn at his/her own pace.
3. Teacher gives a classroom instruction regarding the flipped class for the next day's session with reference material, hand-outs, or videos which serve as a pre-reading material.
4. Students have to go through the given pre-reading material or watch the videos/digital content and come with a brief write-up stating the key-points on the next day.
5. The students should also come prepared with possible questions & responses on the given pre-reading material to pose in the classroom.
6. The next day the teacher starts a brainstorming discussion in the classroom by giving utmost freedom based on the pre-reading material.
7. Extra care and caution has to be taken to ensure that the teacher does not comment on the responses of the students to encourage them for maximum participation.
8. Based on the responses teacher divides the class into few smaller groups and stimulates the discussion further. However, the classroom can also be considered as a single entity with respect to the discussion & responses.
9. The responses have to be registered on the blackboard to stir the discussion.

10. Students pose questions at each other and demand for possible responses. In the process, students get emotionally attached to their viewpoint/standpoint.
11. Care need to be taken to what extent the discussion can be taken forward.
12. Students compare their responses, practice problems and create new problems and teacher can take help of experiments, quiz, etc. to drive the concept and highlights the key-points of the entire discussion.

#### REGULAR CLASS Vs FLIPPED CLASS

SNO	STAGES/TOOL	FLIPPED CLASS	REGULAR CLASS
1	Pre-Reading	Pre-reading Material is given to the students to come prepared for the next day's session.	No Pre-reading material is provided.
2	Introduction	Introduces the concept through pre-reading material given the previous day.	Introduces the concept on the same day by eliciting it from the students.
3	Discussion	Teacher triggers the discussion and stimulates it further to encourage maximum student participation	Not much discussion happens. Only responses are recorded from few students.
4	Student Participation	A good number of students participate in the first level of discussion. However, in group participation all the students interact with one another and also with the teacher	Few students respond to the teacher's questions.
5	Recording observations	All the observations-right & wrong are recorded on the blackboard by the teacher. Number of observations is more in number.	Not many observations are possible from few students.
6	Group Discussion/Debate	Depending upon the responses, groups are divided into two for a debate or into smaller groups when there are more number of responses.	Only few students interact in the classroom and not every session in the class is called for a debate

#### DOs & DONTs OF A FLIPPED CLASS

SNO	FLIPPED CLASS	
	DOs	DONTs
1	Provide the pre-reading material well in advance.	Do not restrict only to the pre-reading material, rather, be very constructive.
2	Encourage maximum participation among students.	Do not comment on students responses as right or wrong.
3	Teacher should let the students learn at their own pace.	Do not give instant feedback on their responses.
4	Teacher acts as a facilitator by being by the side of the student.	Do not try to flip the class without igniting and triggering proper discussion.
5	Teacher should encourage the students to think and to question.	Do not discourage the students when they pose irrelevant questions, rather, can modify and change the question.
6	Encourage participation in a group by identifying the leader of the group.	Do not entertain mass responses from students to give scope for individual assessment.

SNO	FLIPPED CLASS ADVANTAGES	
	TEACHER	STUDENT
1	Teacher becomes FACILITATOR	Student is given a larger scope for involvement
2	Teacher delegates task	Student-centric Approach
3	Helps the Teacher to go deeper into the content	Student explores beyond the textbook and creates an unlimited horizon for learning in varied environments
4	Advantage of gathering information from various resources	Scope to explore the knowledge from the given pre-reading material and also from other sources
5	Focus on all the student groups	Aids in learning from peer group
6	Teacher as a GUIDE	Guidance & Support aid in relating to the topic.
7	Group Discussion makes revision easier	Revision may help the student with clarification in the concepts learnt in class
8	Teacher boosts the confidence of students	Students get rid of their fears and phobias with the help of pre-reading materials, digital content and videos provided.
9	Targeting high achievers- Interaction & Questioning	High achievers perform better during interaction and through discussion

10	Targeting low achievers - Digital Content & Videos	Low achievers try to perform better and participate in the discussion with the help of the digital content & videos provided
11	Reduction in Teaching time	Increase in face-time of the teacher helps the students to be confident and aids in interaction
12	Responsibility of learning flipped to the student	Learning transfers from one student to the other. Students share their personal impressions in the discussions.
13	Time taken for remedial and extra tutoring reduced to a huge extent	Students learn more and retain it more through flipped class rather than remedial.
14	To accommodate absent student who missed his classes- Flipped Class makes it easier through discussion	Students learn easily from his peers who are accustomed to Flipped Class Teaching Module. The absent student learns more by observing the discussion closely.
15	Individual assessment becomes easy by observing the participation of the students	Student gains more through the brainstorming and discussion on the topic and concepts are formed and thus help in the student's comprehensive abilities.
16	Note-making at the student-level enhances the element of teaching & learning	Students are equipped with writing skills and note-making when they come prepared the next day with a brief write-up based on their understanding.
17	Response of the students in a Flipped Class encourages the teacher to create further teaching modules in a Flipped Class Learning Environment	Student participates with lot of confidence and come out with his responses in a more creative manner.

Therefore, all the Principals, Teachers & Junior Lecturers are hereby directed to welcome the Flipped Class Teaching to create a Signature Teaching in the society of tomorrow.

## JOB CHARTS

### JOB CHART OF THE PRINCIPAL:

The Principals of these residential schools or colleges are not heads of ordinary educational institutions. But they are heading a very special kind of institutions with a duty to develop these institutions as pace setting institutions, by making sustained efforts and made to ensure that:

- a) All prescribed activities in the area of curricular, co-curricular, extra- curricular are implemented fully with all seriousness; and
- b) An environment is created to encourage innovation and specified pace setting activities in the field of education.

(1) Daily during 5.00 A.M to 7.00 A.M, the Principal should take a round of the dormitory and participate along with students in the Yoga or Physical Exercises and take a round of the kitchen to check the breakfast preparation (45 minutes).

(2) Principal, along with all teachers of the school must be present during the assembly. Mikes should be utilized for Assembly. Besides the existing routine, the Principal or any teacher, by rotation, should speak a few minutes either on the significance of the day or on any topic of current importance or read any poetry etc. as part of the Assembly items (20 minutes).

Sl.No.	Activity	Time allocated
1	Substitution work	15 minutes
2	Teaching two periods daily	90 minutes
3	Classroom observation (one class daily)	45 minutes
4	Written work scrutiny	60 minutes
5	Rounds to classes (two)	20 minutes
6	Round to kitchen and tasting of food before it is served to students	20 minutes
7	Visit to health clinic before lunch to see the sick students	20 minutes
8	To supervise and observe remedial re-teaching tutorials for slow learners	30 minutes
9	Supervision of club activities and homework session	30 minutes
10	Office work	90 minutes
11	Meeting visitors	30 minutes
12	Time available for unforeseen activities	60 minutes
TOTAL		510 minutes

(4) The Games & Sports activities are taken up in the school between 4.30 P.M to 6.00 P.M. Principal should actively participate in the activity by playing games regularly at least for half an hour with the students. The Principal should encourage all other teachers also to play games during the games hours. This is considered essential not only for the physical and mental health of the Principal and teachers, but it will create a healthy atmosphere in the entire institution. In the games time, the teachers and students mingle up freely and direct communication is established between the Principals and students.

Keeping in view, the fact that our students are coming from weaker section families and are having poor level of confidence, it is of utmost importance that Principal must participate in the games and develop a direct channel of communication with the students. This is the place where, if proper rapport is established between the Principal and the students, the students will immediately approach the Principal without hesitation for any of their problems. Unless this kind of confidence is built, a residential school cannot be managed efficiently.

(5) During night study hours, i.e. 7.30 P.M to 9.00 P.M, the presence of the Principal is a must in the institution.

(6) As far as supervision of routine work is concerned i.e. scrutiny of homework, notebooks, assignment books,

project reports, slip tests, answer sheets and examination, answer sheets etc. is concerned, the work may be shared between the Principal and the Vice Principal. But such sharing should not be on permanent basis and the Principal should look into the routine work of all classes by rotation.

(7) The Principals have to prepare a homework time table for their schools i.e. guidelines for giving homework and collection of homework notebooks for scrutiny and return.

(8) On any particular day, if the Principal is prevented physically from performing any or all of the daily activities mentioned above, the Vice Principal should automatically supervise the activities. If Vice Principal and Principal, both are not available, whosoever is in charge of the school, should attend to all the items of work indicated above except classroom teaching and classroom observation.

(9) Attending Teleconference as per schedule.

(10) The Principal should take the assistance of Vice Principal in proper functioning of the TTWR institutions in the aspects of academic, administrative, financial matters as well as in the Campus management for the classes V to X. In the absence of the Principal, the Vice Principal will attend the duties and responsibilities of the Principal.

(11) Principal need to allot a period to each class every week to the ANM to take classes on health and hygiene.

(12) The Principal need to allot one class from the lower sections to PET and one class from the higher sections to PD during the instructional hours.

#### **ACADEMIC:**

To strengthen the teaching and learning process in an effective and efficient manner the following schedule should be implemented.

1. The Principal should take the assistance of Vice Principal to prepare an Institutional plan for V to V classes.
2. The Principal should take the assistance of Vice Principal to monitor the implementation of year plan, by maintaining the syllabus completion register and the same also get signed by the Principal every month.
3. The Principal should be assisted by Vice Principal in preparing and monitoring the class time- table and see that all the teachers follow the given time table without any deviation.
4. The Principal should ensure that all the subject teachers of all the classes write the lesson plans every week and submit the same through Vice Principal on every Monday as per Society Instructions.
5. The Principal should see that Vice Principal maintain the substitution register under his/her control and allot substitution duties whenever the teachers are on leave/on duty/absent.
6. The Principal should take the assistance of Vice Principal to observe the classes and also monitor that class notes are corrected by all the subject teachers regularly every month.
7. The Principal should plan for the strategy meeting once in fortnight in coordination with the Vice Principal and review the academic performance of the classes from V to X.
8. The Principal shall be the overall in charge of all the classes examinations and conduct all the tests and examinations as per the schedule given by the Society under the guidance of the Principal.
9. After completion of tests and examinations, the Principal should also check the correction of answer scripts randomly of classes from VIII to X and see that all the teachers complete the correction work on time and send the marks in SAMS in time.
10. The Principal should play an active role in electing the School Council members to cultivate the habit of leadership qualities among the students from VIII to X, with the help of Vice Principal.

11. The Principal should take the assistance of Vice Principal to motivate the students in reporting to the schools on the day of Re-opening. The same should be strictly monitored.
12. He/She should supervise the club activities with the help of Vice Principal.
13. He/She should motivate and encourage the teachers in taking part in seminars in an innovative way with the help of latest technology and methodologies by taking the assistance of Vice Principal.
14. He/She should supervise a separate Parent and Teacher meeting with the assistance of Vice Principal.
15. Under the programme of QUEST, He/She should visit the children's house during the holidays along with Vice Principal.
16. He/She should take the initiative of conducting subject wise seminars by inviting the subject experts from outside with the help of Vice Principal.
17. To meet today's challenges and to update the technological skills, He/She should recommend training programmes for Teachers.
18. He/She should maintain the list of the best teachers, poor performers and a list of the top (10) students after every Test/Examinations.
19. He/She should identify the idle receivers and suitable strategy should be maintained by her/him for which a separate record should be maintained.
20. He/She should monitor the duties and responsibilities of Vice Principal by giving necessary suggestions from time to time and report should be submitted to the Principal.

#### **DUTIES OF VICE-PRINCIPAL:**

The Vice Principal will assist the Principal in proper functioning of the TTWR institutions in the aspects of academic, administrative, financial matters as well as in the Campus management for the classes V to X. In the absence of the Principal the Vice Principal will attend the duties and responsibilities of the Principal. It is essential to strengthen the abilities on curricular/ co- curricular activities and motivate them for the overall development. It is decided to have a separate job chart to the Vice Principal.

The suggested method recommends strengthening the abilities of all children of classes from V to X and to focus on their overall development. This paves a way for brighter foundation and to excel in all areas. The Vice Principal will assist the Principal in proper functioning of the Institution in the aspect of Academic matters and in creating an overall cordial environment in the Campus.

#### **ACADEMIC:**

To strengthen the teaching and learning process in an effective and efficient manner the following schedule should be implemented.

1. The Vice-Principal should prepare an Institutional plan for Class V to X.
2. The Vice-Principal should monitor the implementation of year plan, by maintaining the syllabus completion register and the same also get signed by the Principal every month.
3. The Vice-Principal should prepare and monitor the class time- table and see that all the teachers follow the given time table without any deviation.

4. The Vice-Principal should ensure that all the subject teachers of all the classes write the lesson plans every week and submit the same to the Principal on every Monday as per Society Instructions.
5. The Vice-Principal should maintain the substitution register under his/her control and allot substitution duties whenever the teachers are on leave/on duty/absent.
6. The Vice-Principal should observe the classes and also monitor that class notes are corrected by all the subject teachers regularly every month.
7. The Vice-Principal should plan for the strategy meeting once in fortnight in coordination with the Principal and review the academic performance of the classes from V to X.
8. The Vice-Principal shall be the overall in charge of all the classes, examinations and conduct all the tests and examinations as per the schedule given by the Society under the guidance of the Principal.
9. After completion of tests and examinations, the Vice Principal should also check the correction of answer scripts randomly of classes from V to X and see that all the teachers complete the correction work on time and send the marks in SAMS in time.
10. The Vice-Principal should prepare and procure special Audio visual aids to improve teaching learning process of all the classes.
11. The Vice-Principal should play an active role in electing the School Council members to cultivate the habit of leadership qualities among the students from Classes V to X.
12. The Vice-Principal should motivate the students in reporting to the schools on the day of Re-opening. The same should be strictly monitored.
13. The Vice-Principal should supervise the functioning of school library by verifying the books and the same should be brought to the notice of the Principal about the requirement of books to be read by the students from classes V to X.
14. He/She should supervise the club activities.
15. He/She should motivate and encourage the teachers in taking part in seminars in an innovative way with the help of latest technology and methodologies.
16. He/She should arrange a separate Parent and Teacher meeting under the supervision of the Principal.
17. Under the programme of QUEST, he/she should visit the children's house during the holidays.
18. He/She should take the initiative of conducting subject wise seminars by inviting the subject experts from outside after consulting the principal.
19. To meet today's challenges and to update the technological skills, he/she should recommend training programmes for Teachers.
20. He/She should maintain the list of the best teachers & students, poor performers and a list of the top (10) students after every Test/Examinations.
21. He/She should identify the idle receivers and suitable strategy should be maintained by her/him for which a separate record should be maintained.

## STAFF MEETINGS

### AGENDA

In the first staff meeting of the academic year, certain significant issues like Annual Plan, conducting Bridge Course, Time-Table allotment of classes, assigning duties of House-Master ship and other in-charges should be decided. A detailed review of the previous year's results and identification of low achievers on the basis of final results of the previous year, and performance in entry level test have to be made. Action Plan for improving the standards of low-achievers, duly keeping in view the difficult areas in learning has to be prepared. Assigning the duties and responsibilities to teachers and students according to the action plan should be done. After conducting the bridge course and post learning test, thorough analysis on performance of students should be made.

In the subsequent meetings, a detailed review of the progress of the students, completion of syllabus as per the year-plan and other relevant issues regarding changes in in-chargeships etc., may be discussed.

### MEMBERS OF FOOD COMMITTEE

Principal

Chairman

Deputy Warden

Convener

## SWAEROES "ANTHEM"

బుద్ధుని జ్ఞానబోధలం  
శ్రమణుల తేజో దీప్తులం  
సబ్బామంగళం స్వేరో స్వేరో  
బాబా సాహెబు బిడ్డలము  
బాధ్యత వీడని సాహసులం  
సబ్బామంగళం స్వేరో స్వేరో

జంబూద్వీప ఈ నేల చరితలు వెల్లివిరిసేలా  
జాతినీతిగౌరవము జగమున నిలిపేము  
పూలే కలల పంట -కష్టించైనా పండిస్తం  
ఆత్మగౌరవదారుల్లో అడుగులు వేసేము  
పొందినదేదైనా -తిరిగి చెల్లిస్తం- మోసగించము

స్వేరో స్వేరో

ఎదురొచ్చేగాలులు-ఎన్ని వీచినా- ఆశను కోల్పోము

స్వేరో స్వేరో

మహనీయుల త్యాగాలు-తల ఎత్తి చూసేలా  
సావిత్రిబాయి బాటల్లో ముందుకు సాగెము  
నాలుగువేల యేండ్ల - నాగరికతకు వారసులం  
జ్ఞాన ఖడ్గంతోటే ఈ చీకటి చీల్చేము  
అకాశం హద్దుగా-అవనిని గెలిచెము-జైభీం తెలిపేము

స్వేరో స్వేరో

రేపటి భారతము -పులకించి మురవంగా-దేశాన్నేలేము

స్వేరో స్వేరో
